gov.cy Unified Design System & DSF Service Standard — Cyprus's Accessibility-Tested Component Library Behind an RRF-Funded Digital Services Factory

Digital Inclusion · Good practice · Cyprus

Quality score: 68/100

Evidence strength: Moderate

Summary

Cyprus's Digital Services Factory publishes an open design system it reports as tested against EN 301 549, plus a Service Standard requiring user research and inclusive design. By June 2026 the RRF-funded DSF had built 68 of 70 target services; no independent evaluation.

Key dimensions

Dimension	Score
Innovation level	2/5
Sustainability (ongoing)	1/1
Evaluation evidence	0/1
Demonstrated reach	1/1
Documented learning	1/1
