Campus N — New Caledonia's France 2030 Digital-Skills Consortium Plans AI Training for 90 Educators and an 18-Hour Generative-AI Module

AI in Education · Good practice · New Caledonia

Quality score: 47/100

Evidence strength: Moderate

Summary

Campus N won France 2030 funding (240M XPF) to build New Caledonia's digital skills. It targets 270 educators trained (90 in AI) across lycées, university and training centres, and an 18-hour generative-AI module for 3,000 learners. Targets, not results.

Key dimensions

Dimension	Score
