# Centre for Victims of Sexual Assault (CVSA), Rigshospitalet — Denmark's 24/7 Hospital Model, Replicated Nationwide

Gender Equality · Good practice · Denmark

Quality score: 52/100

Evidence strength: Moderate

### *Summary*

Since 2000 Rigshospitalet's centre gives sexual-assault victims free 24/7 medical, forensic and psychological care without a police report. Its data on 2,541 women (2001–10) and 1,966 victims (2006–13) shape Danish policy; nine regional centres now exist.
