

Iceland Equal Pay Certification Standard (ÍST 85) — Mandatory Equal-Pay Law 2018

Gender Equality · Good practice · Islandia

Puntuación de calidad: 100/100

Solidez de la evidencia: Observational / pre–post

Resumen

Iceland's 2018 law made it the world's first country to require all employers with 25+ workers to certify gender-equal pay under standard ÍST 85. Non-compliant firms face fines. Pay audits must be renewed every three years.
