Egypt's FRA-Sandbox — 49 Applications, Seven to Nine Initial Approvals and Two Live Tests in Year One, With AI Insurance Agents Admitted

AI in the Public Sector · Good practice · Egypt

Quality score: 47/100

Evidence strength: Moderate

Summary

Egypt's non-bank regulator runs a statutory sandbox under Law 5/2022. In its first year it received 49 applications, gave initial approval to 7–9 projects including two AI insurance assistants, and moved two into renewable three-month live tests. No test outcomes published yet.

Key dimensions
