

Spain's Organic Law 1/2004 — Integrated Protection Against Gender Violence (LOVG)

Gender Equality · Good practice · España

Puntuación de calidad: 96/100

Solidez de la evidencia: Observational / pre–post

Resumen

Spain's 2004 LOVG created 106 specialised gender-violence courts, emergency protection orders and free legal aid. In 15 years the courts handled 2 million complaints and secured 700,000 convictions — a global model for integrated GBV legislation cited by the Istanbul Convention.
