

Academy of Coding in the Czech Republic and Slovakia

Digital Inclusion · Good practice · Czechia · National

Quality score: 52/100

Evidence strength: Descriptive / self-reported

Summary

Academy of Coding started in Czech Republic and expanded into Slovakia. While overall goals are the same in both countries, execution differs slightly, reflecting local needs. In the Czech Republic, we have focused on encouraging all kids and youth to start coding both as a part

Key dimensions

Dimension	Score
