

Accelerating Disability-Inclusive Digitalization — NCBM's Cross-Disability Digital-Accessibility Training in Malaysia

Digital Inclusion · Good practice · Malaysia

Quality score: 88/100

Evidence strength: Strong

Summary

Malaysia's National Council for the Blind trained 23 people with diverse disabilities as the country's first cross-disability digital-accessibility auditors, feeding advocacy into Malaysia's 2022 Marrakesh Treaty accession and a 19-agency Kuala Lumpur seminar.

Key dimensions

Dimension	Score
Innovation level	2/5
Sustainability (ongoing)	1/1
Evaluation evidence	1/1
Demonstrated reach	1/1
Documented learning	1/1
