

AccessiLearnAI — Transilvania University of Braşov's Accessibility-First AI E-Learning Platform

AI in Education · Good practice · Romania

Quality score: 40/100

Evidence strength: Descriptive / self-reported

Summary

Transilvania University of Brasov researchers built AccessiLearnAI, a proof-of-concept platform combining AI alt-text, summarisation and text-to-speech with WCAG-compliant design; early tests suggest better engagement, but authors call evaluation small-scale and unvalidated.
