Addis Ababa's Hospital-Based One-Stop Centres for Sexual-Violence Survivors — Strong Acute Care, Weak Follow-Up (Ethiopia)

Gender Equality · Good practice · Ethiopia

Quality score: 63/100

Evidence strength: Moderate

Summary

Public hospitals in Addis Ababa, led by Gandhi Memorial Hospital (2011), host one-stop centres combining medical, legal and psychosocial care for sexual-violence survivors. A review of 2,283 records found good acute care but 79% never returned for follow-up.
