

AI Agents for Public Sector — the Philippines' Government-Wide Gemini Enterprise Rollout

AI in the Public Sector · Good practice · Philippines

Quality score: 53/100

Evidence strength: Moderate

Summary

The Philippines' DICT partnered with Google Cloud to give 50,000 civil servants Gemini Enterprise/Workspace access via a new eMarketplace platform, expanding to 200,000+ within 18 months. A joint DICT-Civil Service Commission ethics circular (June 2026) sets accountability rules.
