

AI-Enabled Career Guidance Labs — Punjab's Pilot in Government Schools

AI in Education · Good practice · India

Quality score: 27/100

Evidence strength: Descriptive / self-reported

Summary

Punjab launched 25 AI-enabled Career Guidance Labs in government schools in December 2025, giving students from class 6 an AI aptitude assessment plus one-to-one counsellor sessions with parents — India's first such state-run programme, still unevaluated.

Key dimensions

Dimension	Score
