

AI for All — Malta's National Free ChatGPT Plus Programme via Digital ID

AI in the Public Sector · Good practice · Malta

Quality score: 33/100

Evidence strength: Descriptive / self-reported

Summary

Malta became the first country where the government, with OpenAI, offers every citizen and resident a year of free ChatGPT Plus, gated behind a University of Malta AI-literacy course and delivered through Malta's national digital-identity system, starting May 2026.

Key dimensions

Dimension	Score
Evidence of impact / measured public value	0/3
