

AI4STEAM — Gabtrotter Launches Gabon's First National AI and Robotics Hackathon for Students

AI in Education · Good practice · Gabon

Quality score: 20/100

Evidence strength: Cautionary / limited

Summary

Gabonese NGO Gabtrotter, backed by the U.S. Embassy, launched AI4STEAM, Gabon's first national AI and robotics hackathon: 35+ teams of students, secondary pupils and young graduates built AI-driven prototypes in Libreville over three days in December 2025.

Key dimensions

Dimension	Score
