

# Albania Extends Gender-Based Violence Law to Workplaces, Politics and the Digital Sphere

Gender Equality · Good practice · Albania

Quality score: 41/100

Evidence strength: Moderate

## Summary

Albania's new 2026 law extends gender-based-violence protection to workplaces, politics and online, defining stalking and non-consensual image-sharing as offences, mandating rapid takedown of abusive content, and requiring courts to include children in protection orders.

## Key dimensions

| Dimension                       | Score |
|---------------------------------|-------|
| Transferability / replicability | 2/3   |
| Impact on gender equality       | 0/1   |
| Effectiveness                   | 0/1   |
| Efficiency                      | 0/1   |
| Evaluated outcomes              | 0/1   |
| Sustainability                  | 1/1   |
| Achievement / evidence          | 1/1   |
| Gender-mainstreaming embedding  | 1/1   |
| Curator validation              | 0/1   |
