

Angola Digital Acceleration Project (IDEA Programme)

Digital Inclusion · Good practice · Angola

Quality score: 32/100

Evidence strength: Cautionary / limited

Summary

A \$300M World Bank loan, approved June 2024 and now disbursing, funds Angola's push for affordable broadband, digital public services and 1,980km of new fibre, targeting 13 million people — though as an early-stage project its impact is not yet independently evaluated.
