

ANPD's Regulatory Sandbox — Brazil's Supervised Testing Ground for AI and Data Protection Compliance

AI in the Public Sector · Good practice · Brazil

Quality score: 40/100

Evidence strength: Descriptive / self-reported

Summary

Brazil's data authority ANPD opened a regulatory sandbox in August 2025, letting three selected firms test AI systems under direct supervision. A four-month training phase ended in February 2026; testing now runs through December 2026 under the LGPD.

Key dimensions

Dimension	Score
Evidence of impact / measured public value	0/3
Transparency, fairness & accountability	2/3
Transferability / demonstrated replication	1/3
