

Azerbaijan's Education Ministry Signs a Three-Year OpenAI Deal for a National AI Learning Platform

AI in Education · Good practice · Azerbaijan

Quality score: 27/100

Evidence strength: Cautionary / limited

Summary

Azerbaijan's Ministry of Science and Education first agreed in May 2026, then expanded in a September 2026 three-year MoU with OpenAI, to build an AI-based adaptive learning platform for 500,000+ students under the national Digital School programme — an announced rollout, not yet

Key dimensions

Dimension	Score
