

Baku Master Technology Transfer Program — Technip Energies' University-to-Industry Pipeline

City Innovation Library · Good practice · Azerbaijan

Quality score: 62/100

Evidence strength: Observational / pre–post

Summary

Since 2019, Technip Energies has run a structured technology-transfer program with three Baku universities, training roughly 50-60 final-year engineering students a year - about 250 in total - through six technical modules, internships and, since 2024, direct job offers.

Key dimensions

Dimension	Score
Evidence of impact / measured results	2/3
Transferability / demonstrated replication	2/3
Scalability	2/3
Sustainability / continuity	2/3
Innovation	1/3
Inclusiveness / equity	1/3
Multi-stakeholder collaboration	3/3
