

Be. Lab — Disability-Led Inclusive Design Consultancy Reshaping 'Accessible Aotearoa'

Digital Inclusion · Good practice · New Zealand

Quality score: 72/100

Evidence strength: Descriptive / self-reported

Summary

Founded in 2011 by disability advocate Minnie Baragwanath, New Zealand's Be. Lab (formerly Be. Accessible) trains businesses and government teams in inclusive digital and physical design, using disabled assessors and its Access 2020 survey to reveal accessibility gaps nationwide.

Key dimensions

Dimension	Score
Innovation level	3/5
