

Be My Eyes — Denmark's Free Volunteer-and-AI Visual Assistance App for Blind and Low-Vision People

Digital Inclusion · Good practice · Denmark

Quality score: 76/100

Evidence strength: Strong

Summary

Danish app founded by Hans Jørgen Wiberg and Christian Erfurt connects blind and low-vision users to sighted volunteers by live video; Be My AI (GPT-4, March 2023) added image description. Reported ~900,000 users, 9M+ volunteers; data-protection criticism noted.

Key dimensions

Dimension	Score
