

Beyond Access – Library-Based Digital Literacy Programme (Myanmar)

Digital Inclusion · Good practice · Myanmar

Quality score: 72/100

Evidence strength: Descriptive / self-reported

Summary

Beyond Access built digital literacy across 100+ Myanmar libraries, reaching 63,000+ people and addressing a 2:1 gender gap via Tech Age Girls; an EnCompass evaluation confirmed skill gains, though the programme was disrupted by the 2021 military coup.
