

Bishkek's Green City Action Plan — Reversing Decades of Urban Tree Loss (Kyrgyzstan)

PES & Nature-Based Solutions · Good practice · Kyrgyzstan

Quality score: 33/100

Evidence strength: Descriptive / self-reported

Summary

Bishkek joined the EBRD Green Cities programme in 2019 and launched a school-linked tree-planting drive to reverse decades of urban deforestation: 19,000 trees planted in 2025, with 50,000 more seedlings planned for 2026.

Key dimensions

Dimension	Score
Carbon — sequestration / storage, evidenced	1/3
Biodiversity — conservation / improvement, evidenced	1/3
Water & soil — retention, infiltration, erosion control	1/3
Fire resilience — risk reduction, evidenced	0/3
Governance, certification & transferability	2/3
