

# Brunei's GenAI Guidance for Education — National Ethical-AI Toolkit for Schools

AI in Education · Good practice · Brunei

Quality score: 53/100

Evidence strength: Moderate

## Summary

Brunei's Ministry of Education launched a national GenAI Guidance for Education handbook and school toolkit workshop, adapting TeachAI's global seven principles for ethical AI use to Brunei's curriculum, data-protection rules and cultural values.

## Key dimensions

| Dimension                              | Score |
|----------------------------------------|-------|
| Evidence of learning impact            | 0/3   |
| Equity & inclusion                     | 1/3   |
| Transparency, ethics & data protection | 3/3   |
| Teacher capability & pedagogy          | 2/3   |
| Scalability & sustainability           | 2/3   |
