

Burundi's National AI Strategy (SNIA 2025–2030) — Six Pillars Anchor AI in Education Nationwide

AI in Education · Good practice · Burundi

Quality score: 27/100

Evidence strength: Descriptive / self-reported

Summary

Burundi's Ministry of Finance and UNDP validated a National AI Strategy in April 2026 with six pillars — including AI in education — targeting 1,000+ trained public agents, ~15 pilot projects, and explicit focus on youth and women, though implementation has not yet begun.

Key dimensions

Dimension	Score
Evidence of learning impact	0/3
Equity & inclusion	1/3
