

# Cambodia's National Information-Accessibility Training — Equipping 139 Provincial Officials to Serve Citizens with Disabilities

Digital Inclusion · Good practice · Cambodia

Quality score: 88/100

Evidence strength: Descriptive / self-reported

## Summary

UNESCO, Cambodia's Ministry of Information and CDPO trained 139 provincial officers from 24 provinces on disability-inclusive information access, building on Cambodia's first national information-needs assessment for persons with disabilities.

## Key dimensions

| Dimension                | Score |
|--------------------------|-------|
| Innovation level         | 2/5   |
| Sustainability (ongoing) | 1/1   |
| Evaluation evidence      | 1/1   |
| Demonstrated reach       | 1/1   |
| Documented learning      | 1/1   |
