

Cape Verde Pairs Its GOV.CV One-Stop Portal With a New National AI and Data Strategy for Public Administration

AI in the Public Sector · Good practice · Cabo Verde

Quality score: 13/100

Evidence strength: Descriptive / self-reported

Summary

Cape Verde opened GOV.CV, a one-stop digital-government portal, in Feb 2026, then in May 2026 began drafting a national AI Strategy and Data Strategy for Public Administration with EU input — infrastructure is live, but the AI policy itself is still at the drafting stage.
