

Caribbean Digital Transformation Project (CARDTP) — Dominica

Digital Inclusion · Good practice · Dominica

Quality score: 52/100

Evidence strength: Moderate

Summary

A World Bank-financed \$94M regional programme (Dominica's share: \$28M) built shared government cloud infrastructure, digital ID and a 90+-service e-portal in hurricane-vulnerable Dominica, though citizen-level outcome data remains thin as of 2026.
