

Caribbean Digital Transformation Project (CARDTP) — Grenada

Digital Inclusion · Good practice · Grenada

Quality score: 72/100

Evidence strength: Descriptive / self-reported

Summary

Grenada's US\$8m share of a US\$94m World Bank regional programme funds digital-skills training and an e-services portal, plus — after Grenada joined the Budapest Convention as the first English-speaking Caribbean state — a national cybercrime-awareness campaign and CSIRT.
