

CBSE On-Screen AI-Assisted Evaluation — digitised, AI-monitored marking for India's board exams

AI in Education · Good practice · India

Quality score: 47/100

Evidence strength: Moderate

Summary

India's CBSE is scaling On-Screen Marking with AI-based quality control for Class XII board exams from 2025-26: scripts are digitised, anonymised by barcode, and AI flags examiners marking unusually fast or inconsistently, while humans remain the final graders.

Key dimensions

Dimension	Score
Evidence of learning impact	1/3
Equity & inclusion	1/3
Transparency, ethics & data protection	2/3
Teacher capability & pedagogy	1/3
Scalability & sustainability	2/3
