

CDN Legacy Project — Barbados' First Accessible-Technology Hub and IT Accessibility Training

Digital Inclusion · Good practice · Barbados

Quality score: 8/100

Evidence strength: Cautionary / limited

Summary

The Caribbean Disability Network's CDN Legacy Project, backed by the Caribbean Development Bank, will train Barbadian IT staff in digital accessibility and open an accessible-tech hub at the Barbados Council for the Disabled — the country's first such initiative.

Key dimensions

Dimension	Score
Innovation level	2/5
Sustainability (ongoing)	0/1
Evaluation evidence	0/1
