Centro de Intervención Conductual para Hombres (CICH) — the Dominican Republic's Attorney-General-Run Programme for Men Referred for Intimate-Partner Violence

Gender Equality · Good practice · Dominican Republic

Quality score: 74/100

Evidence strength: Strong

Summary

Since July 2008 the Dominican Attorney General's Office has run an outpatient behaviour-change centre for men referred by courts and prosecutors under domestic-violence law, now with a Santiago branch. Reach is large; outcome claims are official and lack a comparison group.
