

Ciudad Mujer — Honduras's Integrated One-Stop Women's Services Centres

Gender Equality · Good practice · Honduras

Quality score: 67/100

Evidence strength: Randomised controlled trial

Summary

Honduras replicated El Salvador's Ciudad Mujer model with one-stop centres integrating 13 public agencies and 70+ free services for women, including GBV response. A 2020 RCT found a violence-awareness tool raised GBV-resource visits by up to 137%.

Key dimensions
