

CNPD's Sandkëscht — Luxembourg's Two-Year-Old Data-Protection Sandbox for AI

AI in the Public Sector · Good practice · Luxembourg

Quality score: 47/100

Evidence strength: Moderate

Summary

Luxembourg's data-protection authority CNPD has run 'Sandkëscht,' a rolling AI sandbox, since May 2024. Independent research found 2 public pilots by mid-2025, but the CNPD itself has disclosed no participant counts or exit reports.

Key dimensions

Dimension	Score
Evidence of impact / measured public value	1/3
Transparency, fairness & accountability	1/3
Transferability / demonstrated replication	2/3
