

Coaching Boys Into Men — Athlete-Coach Delivered Dating Violence Prevention

Gender Equality · Good practice · United States of America

Quality score: 96/100

Evidence strength: Randomised controlled trial

Summary

Futures Without Violence trains US high-school athletic coaches to deliver brief weekly discussions on healthy relationships and bystander intervention. Two cluster-RCTs (2012, 2013) found reduced dating-violence perpetration at 12 months, with modelled savings of ~\$2.4m per 1,00
