

College of Artificial Intelligence, University of Baghdad — Iraq's National AI Higher-Education Push

AI in Education · Good practice · Iraq

Quality score: 7/100

Evidence strength: Descriptive / self-reported

Summary

Iraq's Ministry of Higher Education announced a new College of Artificial Intelligence at the University of Baghdad for the 2025/26 academic year, part of a wider national push — but independent reporting flags no legal or ethical AI framework, faculty shortages, and infrastru

Key dimensions
