

Conectar Igualdad – National 1:1 Laptop Programme for Public-School Students

Digital Inclusion · Good practice · Argentina

Quality score: 72/100

Evidence strength: Observational / pre–post

Summary

Argentina's national 1:1 programme distributed 5.3 million netbooks to students in public secondary schools, special-education centres and teacher-training colleges by 2015, reducing the device gap; a CEPAL/ECLAC evaluation found significant digital-literacy gains.
