

Congo Digital Acceleration Project

Digital Inclusion · Good practice · Congo

Quality score: 52/100

Evidence strength: Moderate

Summary

A \$100M World Bank credit plus a €15M EU grant fund broadband expansion into rural 'dead spots', e-government services and digital-skills training in the Republic of Congo, targeting at least 2 million citizens against 89% broadband coverage but only 62% internet use.

Key dimensions

Dimension	Score
Innovation level	3/5
Sustainability (ongoing)	1/1
Evaluation evidence	0/1
Demonstrated reach	0/1
Documented learning	1/1
