

data.gov.ge — Georgia's Open Data Portal and the Gap Between Launch and Uptake

City Innovation Library · Good practice · Georgia

Quality score: 33/100

Evidence strength: Cautionary / limited

Summary

Georgia's Ministry of Justice launched data.gov.ge in 2015 under its Open Government Partnership plan. An independent 2018 review found just 161 databases live — a documented case of a well-designed portal held back by voluntary, unenforced publishing rules.
