

Desigualdade de Género nos Cargos Políticos em Portugal: do poder central ao poder local

Gender Equality · Literature / resource · Portugal · National

Quality score: 7/100

Evidence strength: Cautionary / limited

Summary

The present work intended, on the one hand, to characterize in depth the participation of women in Portuguese political elites (in elected positions at national and local level) and, on the other, to identify obstacles and potential for change in this area.
