

Digital Gabon — National Legal Identity & E-Government Project

Digital Inclusion · Good practice · Gabon

Quality score: 52/100

Evidence strength: Moderate

Summary

A \$68.5M World Bank loan funds Gabon's national legal-identity and e-government project, run by ANINF. In June 2024 the country relaunched its electronic ID card for the first time in 11 years, starting in Libreville with nationwide expansion still planned.

Key dimensions

Dimension	Score
