Docentes Embajadores en IA — Buenos Aires City's Certified AI Training Reaches 26,000+ Teachers, Without a Published Learning Evaluation

AI in Education · Good practice · Argentina

Quality score: 40/100

Evidence strength: Moderate

Summary

Buenos Aires City's education ministry says certified AI courses reached 26,000+ teachers at all levels since 2025, then launched a two-track 'AI Ambassadors' certification (~3,000 enrolled). No learning outcomes are published, and experts question Gemini use in primary schools.
