

# Donation of recycled IT equipment by regional and local administrations to non-profit organizations

Digital Inclusion · Good practice · Belgium · Regional

Quality score: 52/100

Evidence strength: Descriptive / self-reported

## Summary

The Brussels Government allowed all ministers and institutions of the Region to donate their own depreciated and downgraded IT equipment free of charge. This equipment is made operational again and distributed via a number of non-profit organisations to pupils and students experi

## Key dimensions
