

ENIA 2.0 — Congo-Brazzaville's Free National School for AI and Digital Skills

AI in Education · Good practice · Congo

Quality score: 20/100

Evidence strength: Cautionary / limited

Summary

Founded by young Congolese entrepreneurs, ENIA 2.0 offers free three-year AI and digital-technology training in Brazzaville, enrolling over 410 of its 1,500 planned places and awarding 500+ scholarships to address the country's shortage of AI training capacity.
