

Female representations on Greek media and Greek women's (un)employment before and after the Covid-19 pandemic

Gender Equality · Literature / resource · Greece · National

Quality score: 40/100

Evidence strength: Descriptive / self-reported

Summary

This study addresses the subject of female representation on Greek media, thus linking to the sphere of social power. It argues that women around the world face various kinds of discrimination, aggravated by socio-economic crises and global emergencies such as COVID-19. In the ca
