

# Florida's Opt-In AI Rule for Schools — State Board Requires Parental Consent, Supervised Use and Teacher Training from 2027-28

AI in Education · Good practice · United States of America

Quality score: 40/100

Evidence strength: Moderate

## Summary

Florida's State Board of Education unanimously approved rules on 16 September 2026 requiring parental opt-in before students use AI tools, a non-AI alternative, supervised use and a ban on companion-style AI. Districts must comply by 1 July 2027; no outcome evidence yet.

## Key dimensions

| Dimension                              | Score |
|----------------------------------------|-------|
| Evidence of learning impact            | 0/3   |
| Equity & inclusion                     | 1/3   |
| Transparency, ethics & data protection | 2/3   |
| Teacher capability & pedagogy          | 1/3   |
| Scalability & sustainability           | 2/3   |
