

Gender-Responsive Budgeting in Jordan: Embedding Gender Analysis into the National Budget Cycle

Gender Equality · Good practice · Jordan

Quality score: 63/100

Evidence strength: Descriptive / self-reported

Summary

Jordan's Ministry of Finance and National Commission for Women, with UN Women and a €151.5m AFD-financed programme (2022-2025), wrote gender-responsive budgeting into the national budget circular and trained staff to apply it across four pilot ministries.
