

Generative AI Evaluation Sandbox — Singapore's IMDA/AI Verify Testbed for Trusted LLM Deployment

AI in the Public Sector · Good practice · Singapore

Quality score: 53/100

Evidence strength: Descriptive / self-reported

Summary

Singapore's IMDA and AI Verify Foundation launched a Generative AI Evaluation Sandbox on 31 October 2023, with 16 organisations — Google, Microsoft, AWS, Singtel, OCBC, Deloitte, EY and regulator PDPC — testing a shared evaluation catalogue for large language models.

Key dimensions

Dimension	Score
