

Georgia's 2026 Digital Accessibility Law — Binding WCAG Mandate for Public and Private Websites

Digital Inclusion · Good practice · Georgia

Quality score: 28/100

Evidence strength: Cautionary / limited

Summary

On 31 March 2026 Georgia's Parliament amended its disability-rights law to require government bodies and designated private operators to make websites and apps accessible under WCAG-aligned standards, with compliance mandatory by 1 September 2027.
