

Geriau visiems — Lithuania's First Multi-City Network for Working with Male Perpetrators of Domestic Violence

Gender Equality · Good practice · Lithuania

Quality score: 74/100

Evidence strength: Strong

Summary

Before 2013, Kaunas's Men's Crisis Centre was almost the only Lithuanian NGO working with male perpetrators. Its 'Better for All' project trained partner NGOs in four more cities, serving 57 people and training 177 professionals — seeding a service now accredited nationally.
